The tour begins in your hotel and visiting our city's great symbol: the Obelisk, a *Porteño* icon rising above the famous Avenida 9 de Julio, one of the widest avenues in the world. We will visit squares such as Plaza de Mayo, the stage for the country's major political events; the elegant Plaza San Martín, surrounded by architecturally significant buildings; and the distinguished Plaza Alvear, located in the heart of Recoleta. Along the way, we will traverse iconic avenues like Corrientes, with its unmistakable atmosphere of theaters and bookstores; Avenida de Mayo, which connects the Casa Rosada with Congress and retains the charm of the *Belle Époque*; and the imposing 9 de Julio, presided over by the Obelisk. The tour will also take us through neighborhoods full of character: La Boca, home to the famous Caminito; San Telmo, the oldest neighborhood, featuring cobblestone streets, antique shops, and a bohemian spirit; Recoleta, synonymous with sophistication, history, and art; and Puerto Madero, the city's most modern and cosmopolitan face, situated by the river with its old docks transformed into restaurants and cutting-edge offices.

There's no better place to experience tango than in its birthplace Buenos Aires. See the best dancers and musicians bring the iconic dance to life with a live performance. The 1920s atmosphere of the historic theater makes you feel like you've been transported back in time. You can enjoy a traditional dinner before the show begins.
